Expectations and Ground Rules

Welcome!! We are so excited to have you join us for some safe, FUN, learning here at Cascade Motorcycle Safety. If you are a brand-new rider, welcome to the challenge. If you are a returning or experienced rider, welcome back. Your safety is our highest priority. Our goal is to provide a FUN environment where you will be able to gain new skills and strategies.

Balance is a crucial part of riding a 2-wheeled motorcycle. You may be wondering if you have the skills it takes for this course. For our Basic Rider Course, it is important that you are able to ride and balance a 2-wheeled bicycle. For Intermediate Riders on up, you must be able to shift, stop, brake, and turn a motorcycle. Our courses take a building block approach to learning. Each exercise builds on the previous exercise to help you practice new skills and gain knowledge and confidence. You will be practicing in a group environment, and we will do all that we can to coach you to success.

If you do not pass one or more of the tests, do not be discouraged. Your instructor will provide you with information for retaking tests and continuing your journey into becoming a better, safer rider.

Ground Rules:

- You must complete all course assignments and attend all sessions in their entirety. The class will start on time and stay on schedule. Our time is limited. If you are late or miss a classroom session or range exercise, or are unable to meet the exercise objective, you will be dropped from the course and you will forfeit your registration fee. There is no refund.
- You must respect the space and safety of yourself and others
- If you are reckless, disrespectful, or do not respond to coaching, you will not be allowed to complete the course. There is no refund.
- If you demonstrate impairment by drugs/ alcohol or are observed consuming before or during the class, you will not be allowed to complete the course. There is no refund.
- You **MUST** wear the following gear during every range session:
 1. A properly fitted DOT approved helmet free of any structural damage
*School helmets are available to use during class
 2. Eye protection (face shield, sunglasses, eyeglasses, goggles, etc.)
 3. Durable, long sleeve shirt or jacket with full arm coverage
 4. Sturdy long pants that fully cover the legs (jeans, riding pants, chaps, etc.)
 5. Sturdy over-the-ankle boots providing adequate foot and ankle protection. No elastic or canvas (riding boots, work boots, hiking boots preferred)
 6. Full-fingered gloves, preferably leather palmed
- Without all of the proper riding gear, you **WILL NOT** be permitted to participate in the range sessions, and will be dropped from the course. There is no refund.
- This is **NOT** a guaranteed 'learn to ride' course; this is a 'learn to ride safely' course. There is no guarantee you will complete the course or pass the course.
- If you are dropped or counseled out of the course by the instructor, or leave the course for any reason, there will be no refunds of the course registration fee or rescheduling of the course without a fee.
- While it is natural to be nervous or to have some fear, if your instructors perceive that you have an excessive amount of fear and are a danger to yourself or others, you will not be permitted to continue the course. There is no refund.
